International Shipping Terms and Conditions

Shipping Fees:

All international shipments are subject to a shipping fee, which will be calculated based on the destination, package weight, and dimensions. The shipping fee will be clearly outlined during the checkout process.

Taxes and Duties:

Customs duties, taxes, and other related charges imposed by the destination country are the sole responsibility of the customer. These fees are not included in the product price or shipping cost and must be paid upon delivery as required by local regulations.

Customs Clearance:

The customer is responsible for ensuring compliance with the destination country's import laws and regulations. Any delays caused by customs clearance are beyond our control.

Prohibited Items:

It is the customer's responsibility to confirm whether the purchased items are permitted for import into their country. We are not liable for orders delayed, returned, or confiscated due to customs restrictions.

Delivery Times:

Estimated delivery times vary by location and shipping method. Delays may occur due to customs clearance or unforeseen circumstances.

By placing an international order, you agree to these terms and conditions. For further inquiries about international shipping, please contact our customer support team.
